

Site Safety

Mike Geric Construction

We are a family-owned, local developer, that uses a hands-on approach to develop projects that contribute to our communities. We are truly invested in the community we call home and have nurtured relationships with our neighbors, our customers and the people who work with us to build quality homes. Environmentally responsible planning, design and construction go into everything we do so every home we build is one that we would want to call home ourselves

Overview

Mike Geric Construction Ltd is looking for an experienced Commercial Construction CSO, an individual who will provide health and safety leadership and promotes a culture of health and safety commitment to our work site, work well in a collaborative and fast paced environment, and will demonstrate excellent judgment, good common sense, and be a quick learner.
